Mine Clearance Deadline Extension Request

13th Meeting of States Parties to the Mine Ban Treaty
December 2013

MOZAMBIQUE

We would like to thank Mozambique for its presentation and for the efforts made in meeting its clearance obligations.

In order to implement the plan under the extension request, the ICBL notes the importance of Mozambique being able to secure and conclude an agreement with Zimbabwe to allow successful and unhindered humanitarian demining operations to be conducted either side and on the border.

We look forward to hearing about the successful conclusion of this agreement at the earliest opportunity.
